I don't like Brookline
I do like Douglass -

I think Douglass
is a very good man

My Dr. minister always qualche. & a qualche is the minister
same one for not taking more than one
& thing of course say it in a few words, -

I inclose an answer to a letter
letter received "on writing". I thank it would
do well to come out in this week's Liberator
if it were not asking too much should like
to have it set up Monday so that I could
look over & correct it Thursday when I shall
be in town - as for the little matter you
mention I do not think it necessary
& don't feel like it. It seems a very pretty
quarrel as it stands - I've no desire to
correct D.C. though I fully agree with you on

E. L. as to the omission a mistake of his.

I do not either think it absolutely necessary as such letter not be
done. as far as the embasment of another ^{one} at ^{at first} ^{sent D.C.}

I send will do for want of a letter -

It is hurriedly written but this is my estimate -

Kind in you about the colored girls - but as
I am obliged to leave you so much alone by night
I would prefer ~~women~~ a little ^{older} & more known. Else
we would gladly snatch at them. But we shall see
